

Amendments to the Drawings:

The attached sheet of drawings includes changes to Figure 11. This sheet, which includes Fig. 12, replaces the original sheets including Figs. 11 and 12.

Attachment: Replacement Sheet

REMARKS

The Notice of Allowance dated May 6, 2008, is gratefully acknowledged.

In the Drawings, Figure 11 has been amended to reflect identification of Figure 11A and Figure 11B in a manner consistent with the specification, and one sheet of drawings is presented herewith for approval.

In particular, in response to the Notice of Drawing Inconsistency with Specification dated June 6, 2008, Figure 11 has been updated to match the description of Figures 11A and 11B in the specification. No new subject matter has been added by way of the present amendment. A correctly labeled version of Figure 11 showing Fig. 11A and Fig. 11B was previously submitted to the PTO on June 23, 2004, and appears in the application as published on December 2, 2004. Due to an inadvertent clerical error, instead of the correctly labeled version, a copy of the original version of Fig. 11 (in which Figs. 11A and 11B were not individually labeled) accompanied the submission made on April 14, 2008. By the present amendment to the Drawings, the inconsistency has been corrected.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Respectfully submitted,
